ADMINISTRATION DIRECTORATE REVIEW: TRENDS AND HIGHLIGHTS

Evaluation

COURSE OBJECTIVE

The objective of this course is to update DDA careerists' awareness and understanding of current activities, problems and trends in the Administration Directorate and its components.

- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. Please describe how you see the program benefiting you. It helped fit what I'm doing into what other areas are doing and where to go for various requests. Being able to listen to and ask senior officials questions was most helpful in learning and elaborating ideas.
- C. Given your present assignment, what segment of the program did you find least useful?

Logistics - probably because of nature of subject.

(See Reverse Side)

- D. Did you feel the session on the Administration Directorate/ Management & Advisory Group (AD/MAG) was beneficial? Why?

Yes. Employees often have a problem, complaint, or suggestion that falls on deaf ears in their own office or the employee wants to point out something that is applicable to more than one office. MAG provides a way to have actions taken on these.

- E. We welcome your suggestions for improving this course:

Some speakers talk too long and don't leave time for questions.

I'd rather have panel discussion in evening with QMS, including psychiatrist section because a lot of people are leaving off what they do.

It doesn't seem necessary to have EEO panel discussion in evening because we hear about it more.
